Solar Eclipse March 20th 2015

There was lots of excitement this morning as we prepared for the solar eclipse! The pupils found lots of safe ways to observe this remarkable occurrence. Some of the pupils watched it live as the BBC broadcasted from various regions across the UK. Some of Mrs Morgan's class even tried using an ordinary kitchen colander and a piece of paper. The holes in the colander could be used to project multiple eclipse images onto the paper.
